"*Magnetic Resonance in Solids. Electronic Journal*" (**MRSej**) is a peer-reviewed, all electronic journal, publishing articles which meet the highest standards of scientific quality in the field of basic research of a magnetic resonance in solids and related phenomena. **MRSej** is free for the authors (no page charges) as well as for the readers (no subscription fee). The language of **MRSej** is English. All exchanges of information will take place via Internet. Articles are submitted in electronic form and the refereeing process uses electronic mail. All accepted articles are immediately published by being made publicly available by Internet (<http://MRSej.kpfu.ru>).
